Grant us to see our own sins

Prayer for Lent

Lord and Master of our lifes, keep far from us the spirit of futility, discouragement, lust for power, and empty speech

Lord and Master of our lifes, keep far from us the spirit of futility, discouragement, lust for power, and empty speech.

Grant to your servants the spirit of chastity, humility, patience and enduring love.

Yes, our Lord and our king, grant us to see our own sins and not to judge our neighbours. For you are blessed for ever. Amen. St Ephrem the Syrian Prayer for Lent
